Sligo, Leitrim, and Northern Counties Railway Bill
Moved to resolve, That whereas the Committee to which the Sligo, Leitrim, and Northern Counties Railway Bill was referred, have, in the absence of any Standing Order on the subject, not felt themselves bound to inquire into the nature and extent of the opposition to the guarantee clauses; and whereas the practice of Parliament for twenty-five years has been to sanction such guarantees in cases where they have been shown to be the general wish of the counties interested, it is expedient that the said Bill be re-committed with a view to further inquiry into the nature and extent of the opposition to the guarantee (*The Earl of Bandon*) *May* 15, [219] 306; after short debate, Motion withdrawn
Then it was moved that the said Bill be re-committed to the same Select Committee; on Question? Cont. 59, Not-Cont. 54; M. 5; resolved in the affirmative; Bill re-committed accordingly

Bills—Hybrid or Private Bill—Mr. Fawcett wished to ask whether, as this Bill (the *Great Southern of India and Carnatic Railway Companies Bill*) would throw a charge upon the revenues of India, it was competent to pass it as a Private Bill, or whether it ought not to be put in the form of a Hybrid Bill or a Public Bill? Mr. Speaker said, it was perfectly in Order to deal with the measure as a Private Bill, [219] 849
Debate—Explanation—Mr. Ward having attributed certain expressions to Lord E. Fitzmaurice, the latter explained. Mr. Ward said he accepted the noble Lord's explanation, but had no hesitation in saying that, to his mind, the words were used by him. Mr. Speaker reminded the hon. Gentleman that he had accepted the noble Lord's explanation, and could not, therefore, repeat the assertion.—*Endowed Schools Acts Amendment Bill*, [221] 416
Debate—Premature discussion of details—*Intoxicating Liquors Bill.* Order for Committee read; Motion, "That Mr. Speaker, &c." Discussion arising, it was asked whether an Amendment of a certain character was before the House. Mr. Speaker said, no clause of the Bill could be discussed in detail at its present stage, [219] 1000
Debate—Premature discussion of a subject—If the House should order a Bill relating to a certain subject to be read a second time on a given day, it will not anticipate the discussion on the matter which it has so ordered by a Motion on the same subject. There-

fore, if the hon. Member (Mr. Newdegate) postpones the second reading of the Bill to a later day than the Resolution of which he has given notice, that Resolution could not be proceeded with, [219] 1054

Debate—Irregular discussion of a Bill—To discuss the provisions of a Bill on the Question for going into Committee of Supply is irregular.—*Colonial Office—The Official Staff*, [221] 795

Debate – Interruptions — Relevancy of Argument—Mr. Newdegate, in debate on *Monastic and Conventual Institutions*, referred to the case of Miss Talbot. Sir George Bowyer rose to Order. The hon. Member for North Warwickshire was going into transactions which he was misrepresenting. Mr. Speaker said, the hon. Member for North Warwickshire was not out of Order. The matter to which he was referring was relevant to the Motion, [219] 1508

Debate—Relevancy of argument—Sir George Bowyer rose to Order. The hon. Gentleman (Mr. Seely) appeared to be discussing a Bill which was not now before the House. Mr. Speaker said, the hon. Gentleman's observations were quite relevant. The hon. Gentleman was calling on the Government to introduce a Bill and was discussing other measures that related to the question he now brought forward. — *Security for Improvements by Agricultural Tenants*, [220] 191, 928

Debate—Right of Reply—Mr. Plimsoll having moved that the *Merchant Shipping Survey Bill*, which stood upon the Orders of the Day for Second Reading, be now read the second time, and a debate ensuing, rose to reply. Mr. Speaker said, he must remind the hon. Gentleman that he could only speak if he wished to make any explanation to the House as to the course he proposed to take with respect to his Motion.—*Merchant Shipping Survey Bill*, [220] 381; *Spirituous Liquors (Scotland) Bill*, [219] 584

Order—Reply—Mr. Hunt having presented Supplementary Navy Estimates, on a subsequent day, on Order for Committee, Sir John Hay moved an Amendment on Question "That Mr. Speaker, &c." Mr. Hunt replied; objected to:—Mr. Speaker said, that the Supplementary Estimates having been challenged, the right hon. Gentleman was justified in making a general statement in reply; but the discussion of the details was a matter for the consideration of the Committee of Supply, [218] 1869

Debate—Speaking a second time—Committee of Supply. Moved "That Mr. Speaker, &c." Mr. Newdegate moved an Amendment to leave out after "That" and insert certain other words: after debate, Question

put, and negatived: Question proposed, "That those words be there added." Debate thereon. Mr. Newdegate rose to address the House. Mr. Speaker informed the hon. Member that having made his Motion he could not speak again until [a suggested] Amendment was moved.—*Monastic and Conventual Institutions*, [221] 833

Debate—Speaking a second time—Supply' Motion, "That Mr. Speaker do now leave the Chair." An Amendment moved: Mr. Bentinck addressed the House: Amendment withdrawn. Another Amendment moved: Mr. Bentinck rose: objected to—the hon. Member had already addressed the House on Question, "That Mr. Speaker, &c." Mr. Speaker said, that the Question now before the House was different from that on which the hon. Member for West Norfolk had previously spoken, and therefore he was at liberty to speak on the present Question, [218] 1883

Debate—Order—Addition to a Resolution—Motion made; Amendment proposed—Question, "That the words proposed to be left out stand part of the Question," put, and agreed to: An Amendment proposed to add certain words—Mr. Speaker said, that the House having decided "That the words, &c." should stand part of the Question, it was quite open to any hon. Debate—Order—An hon. Member rising to comment upon an Amendment before it has been seconded is out of order.—*Parliament—Business of the House*, [218] 277

Debate — Order—Petition—Mr. Whalley, in moving the appointment of a Select Committee to inquire into his imprisonment for contempt of Court, referred to the words of a Petition:—Mr. Denison rose to Order—The hon. and learned Gentleman having on the previous day expressed his desire to withdraw that Petition, it was not now open to him to comment upon it. Mr. Speaker said, the Petition was duly presented to the House, and was ordered to lie upon the Table in the usual manner. The document having once been laid upon the Table of the House, could not be withdrawn without the formal sanction of the House. The hon. and learned Member was therefore quite in Order in referring to it, [219] 203

I move that the hon. Member's words be taken down. Mr. Conolly said, he withdrew the words with great pleasure. Mr. Speaker:

[*cont.*

SPEAKER, The—*cont.*

It being moved that the words be taken down, let them be taken down accordingly. Mr. Conolly apologized, and withdrew the words. — *Public Meetings (Ireland) Bill*, [219] 589

Debate—Unparliamentary Language—An hon. Member having said that "at last he had got at the truth; but it had taken a long time to extract it—not from any intention of the right hon. Gentleman (Mr. Goschen) to mislead the House, but owing to the tendency of official habits." Mr. Goschen remonstrated. Mr. Speaker said, he thought the hon. Member was about to qualify his statement, and he trusted he would withdraw it.—*Navy—Supplementary Estimates*, [218] 1875

Debate—Unparliamentary Language—Sir John Gray spoke of "a course which I hold to be unworthy of a Minister of Victoria, unworthy to be listened to by any man of honour in this House." Debate—Unparliamentary Language—An hon. Member having said that if the Irish railways were delivered over to the English Government, the Irish officers would be told to go to America with a vengeance—or to "Hell or Connaught"—Mr. Speaker said, he must remind the hon. Member that his language exceeded the licence of Parliamentary debate. —*Acquisition and Control of Irish Railways*, [218] 1331

Opposed Business — A reference to a Select Committee could not, unless Notice of Opposition was given, be considered Opposed Business within the meaning of the Resolution of the House. — *Shannon Navigation Bill*, [220] 674

Order—*Public Worship Regulation Bill*, as amended, considered. Mr. Hubbard commented on the rejection of an Amendment he had moved in Committee. Sir W. Harcourt rose to Order:—could an hon. Member discuss in the House what had taken place in Committee? Mr. Speaker said the hon. Member was not in Order, the Question before the House being that this Bill be now considered, [221] 1044

Order—Relevancy of Amendment—The Motion, "That Mr. Speaker do now leave the Chair," having been made, and an Amendment moved thereon, the Question, "That the words proposed, &c.," was put, and agreed to. Mr. Bentinck desired to move another Amendment. Mr. Speaker said the House had affirmed the Motion that the words "That I do leave the Chair" should stand part of the Question, and any Amendment must be consistent with that Question. The words proposed by the hon. Member were not so consistent, [219] 426

Order—Relevancy of Motion—An hon. Member having brought forward a Question of Privilege, concluded by moving, "That this House do now adjourn." Mr. Speaker said, when the hon. Member had brought the

[*cont.*

SPEAKER, The—*cont.*

matter under the notice of the House he should have concluded with a Motion founded on the allegation that he had brought forward, [219] 396

Order—Relevancy of Motion—Moved, "That the House do go into Committee on the [*Expiring Laws Continuance*] Bill on Thursday next." Mr. M'Carthy Downing moved, "That the House do now adjourn." Mr. Speaker said, the Motion proposed by the hon. Member was not in Order. The Question before the House was, that the Committee on the Bill be taken on Thursday, [221] 744

Order—Reading Extracts— Mr. Biggar reading extracts from a book in a very low voice, Mr. Forsyth asked whether it was regular for an hon. Member to read to himself from a book? Mr. Speaker said, the hon. Member was not out of Order in quoting an extract; but he must, at the same time, remind him that the Rules of the House required him to address himself to the Chair, [221] 1002

Order—To quote extracts from newspapers referring to debates in this House is altogether irregular, [221] 309

Order—Free access to the House—In reference to a recent "Count-out" complaint was made that the ingress of Members to the House was purposely obstructed. Mr. Speaker said, he thought it his duty to state that it was no doubt the duty of the Serjeant-at-Arms to keep free access to the House on such an occasion, and he had every reason to believe that that duty was properly discharged last night, [219] 1304

Order— Petitions—On Motion for Committee on *Endowed Schools Acts Amendment Bill*, Mr. W. M'Arthur presented a Petition from the Wesleyan Body, and was proceeding to read the same, when—Mr. Speaker said, the hon. Member was out of Order in reading the Petition. If he wished it read, he should move that it be read by the Clerk at the Table, [221] 302

Order — Saturday Sittings — The Standing Order [No. 66] says that the House at its rising on Friday shall stand adjourned until the following Monday, without any Question being put: but the House on Friday "adjourned:" meeting on Saturday at 12 A.M. for despatch of Business. Mr. Sullivan asked if the Sitting was regular. Mr. Speaker pointed out that the Standing Order provided "unless the House shall otherwise resolve." The Standing Order had been complied with, inasmuch as the House had "otherwise resolved," and Business had been set down on the Paper to be proceeded with at 12 o'clock this day, [221] 704

Privilege—Explosive Substances Committee—Mr. France having addressed a letter to the Chairman of the Explosive Substances Committee, reflecting on the Chairman, was ordered to attend the House on Monday, June 1; and attending accordingly, and admitting that he was the writer of the said letter, was ordered to withdraw: And an Order thereon being made, Mr. France was

called in and admonished by Mr. Speaker. And it was directed that the material part of a letter of Mr. France, which contained Mr. France's withdrawal of the expressions which were offensive to the House, should appear upon the Journals, [219] 755
Privilege—Mr. Herbert brought under the notice of the House, as breaches of Privilege, two paragraphs in *The Morning Post*, one of which stated, incorrectly, that the Select Committees of the House would not meet on Monday owing to the visit of the Emperor of Russia to the City. Mr. Speaker said, it was no doubt highly to be regretted that an incorrect account should be published of the proceedings of the House; but he must remind hon. Members that they had an authorized record of their proceedings in the Votes and Proceedings of the House, and it was to that record that hon. Members should pay attention, [219] 395
Privilege — Committal of a Member by the Court of Queen's Bench for Contempt—Mr. Speaker reads to the House a Letter from the Lord Chief Justice of England notifying that it had been his duty to commit Mr. Whalley, a Member of the House, for contempt of his Court, [218] 52
Mr. Speaker submits whether the said Letter be referred to the Committee of Privileges or to a Select Committee, 108
Questions—Mr. Speaker having ruled that a certain Question was not out of Order, said —At the same time the Prime Minister would have been quite entitled to decline to answer a Question of that character, as an Answer might involve argument and debate.—*Ireland —Coercive Legislation*, [218] 544
